

**REMARKS/ARGUMENTS**

Claims 107-112 and 114-116 stand rejected under 35 U.S.C. §§ 102 and 103. Claim 113 is noted as containing allowable subject matter.

Claim 112 has been amended to include the subject matter of allowable claim 113, and claim 113 has been cancelled accordingly. Claim 107 has been amended to recite a method of generating and using a multimedia bookmark that includes selected language from claim 112 as well as all of claim 113 with minor edits to address antecedent basis issues. No new matter has been added. It is respectfully submitted that the pending claims are allowable in light of these amendments.

Applicants have made a diligent effort to place the instant application in condition for allowance. A Notice of Allowance for claims 107-112 and 114-116 is respectfully requested. If the examiner is of the opinion that the instant application is in condition for disposition in view of the art of record other than through allowance, the examiner is respectfully requested to contact applicants' attorney at the telephone number listed below.

Respectfully submitted,
